

FOR IMMEDIATE RELEASE
March 27, 2009

Cedar Valley Habitat for Humanity will be having a 20 home Build-A-Thon in Cedar Rapids in June. We are currently accepting homeowner applications for this project. We will be holding an **informal meeting Saturday, April 4th at 9:30am** to answer any questions about owning and applying for a Habitat for Humanity home.

On **Saturday, 28th from 11-1pm** and **Friday, 3rd from 4-6pm** we will be collecting completed applications along with all of the necessary documentation needed.

Habitat for Humanity is a non-profit, Christian organization dedicated to eliminating substandard housing. We work in partnership with families to build simple, decent houses that we are able to sell at affordable prices though our zero-interest loans. Also, building materials, funds, and labor are often donated by businesses, individuals, and religious groups, further reducing the cost of the home.

Please note we were affected by the flood as well and lost our downtown office, so please direct all questions and applications to our new address in Hiawatha.
